Our popular platform adopted over four years ago advocated many extreme measures heretofore

unheard of in the custom tailoring business, but we put it over because we had the right organization back of us and our straight goods, big value, price-cutting policy put all competition out of the running.

Our forces are ably captained and our organization is second to none, being equipped with experience and enormous financial

The high-priced tailors freely claimed our price-cutting methods could not succeed; but as to our success, four years has made us the world's largest tailors.
